A number of Study Days from  
Et Al [www.etaltraining.co.uk](http://www.etaltraining.co.uk)  
have been commissioned as  
follows:

ET AL TRAINING  
Putting The Pieces Together

## MOTIVATIONAL INTERVIEWING

We all went into the health and social care profession to help people, however if you spend your life explaining what your patient should, must or needs to do then this is the course for you.

Tuesday 21 September 21 08:30-4:30 On-line [Click to find out more](#)

## HYPERTENSION

We deliver practical and fun education around hypertension, what is it and why does it matter

Thursday 21 October 21 08:30-4:30 On-line [Click to find out more](#)

## CVD

REALLY USEFUL CVD STUDY DAY Ideal for HCAs and new Practice Nurses
