

The Advanced Practitioner Update - Study Day Live Course for Lancashire & South Cumbria Training Hub on Saturday 5th February 2022 from 10:00 to 16:00

Join us for a new and exciting **virtual** update course from the comfort of your home (or practice)! Keeping on top of all the changes to guidelines and the latest research can be a challenge, so we've done all the legwork for you. This course is jam-packed with brand-new updates to help change your practice straightaway! Our presenter will host the course each day live from our TV Studio, sharing the most important new evidence, relating it to you, your patients and your practice.

What will be covered?

We will be covering a fast paced and engaging overview of what is new and important for primary care.

This will include:

- NEW NICE guidance on atrial fibrillation
- NEW NICE guidance on acne (and counting spots!)
- Choosing diabetic drugs as the evidence base evolves beyond guidelines, in particular where do the gliflozins/SGLT2s fit?
- Dispelling some myths around menopause.
- Making the NICE chronic pain guidance work in practice
- FIT testing: how and why to use it in primary care
- Drug dilemmas: practicalities around steroid emergency cards and sick day rules

There will also be lots of bread and butter primary care from groin lumps to foot pain, UTIs in men and bites.

What to expect on the day...

Engaging content - lots of varied, dynamic teaching and great cognitive anchors to hang the learning on.

Interaction - the opportunity to interact with the speaker and ask questions on the day.

Flexibility - tune into the live hosted online event with the option to re-watch, at any time, for 12 months afterwards.

Click here & watch the video to get a sneak peak of what's in store for you at Study Day Live!

Continue your learning...

Your learning doesn't just stop at the end of the online course, you will have access to **GPCPD.com**, our fully searchable web-based resource which is updated throughout the year. It covers more than 95% of the essential knowledge, skills and competencies for primary care as defined by the RCGP. Which means you can continue your learning for up to 12 months after the course.

WHAT WILL I GET?

- High quality, interactive & practice-changing online teaching
- Course attendance certificate and CPD credits
- Plus 12 months access to the on demand content and 12 months subscription to GPCPD.com

Please note: this course does not come with a printed handbook, if you would like to purchase the printed handbook at a discounted price please see how you can do so on the next page.

How to order the printed handbook

As an online course attendee you will be given access to **GPCPD.com** to follow the course on our online handbook. A printed handbook is not essential on the day of the course but you can purchase it at the discounted price of £40 if you wish to do so. Here is how...

1. CLICK THE LINK BELOW:

https://www.gp-update.co.uk/printed-handbooks/view_1081

2. Add the handbook to your basket and click "Go to checkout".

3. Go through the checkout process (at this point you will be prompted to log into your account or create an account if you don't already have one.)

4. Press continue at the bottom of "Pay with debit or credit card" section in the Billing and Delivery address page (don't worry you won't be charged).

5. On the "Review your order" page, enter the code: **LSC21BOOK** in the "Apply voucher code" box then click on "Redeem voucher" (see image below). The code will discount the price of the product to £40. Tick the address box and agree to the terms and conditions by ticking the "terms and conditions" box in the "Make Payment" section then click "Checkout Now".

For any assistance please email: inhousecourses@red-whale.co.uk.
